

**Welcome to the best resource for searching for homes, and  
real estate information provided by;  
Ron and Weichert Realtors® 1st Choice**

A home is not a home because of its room dimensions or the color of the walls; it's about how you feel when you walk through the front door, and the way you can instantly envision your life unfolding there.

This is about more than real estate. It is about your life and your dreams. My goal is to help you achieve your goal!

### **Different by design**

Weichert Realtors® 1st Choice takes a different approach to real estate, one that is built on personal touches, win-win transactions and positive results.

Ron utilizes the latest technologies, market research and business strategies to exceed your expectations. More importantly, I listen and that means I will find solutions that are tailored to you and your particular needs!
